

Protect the beauty
of your vehicle

SCOTCHGARD[™]
3M
Paint Protection Film
Pro Series

Because things can get ugly out there.

Scotchgard™ Paint Protection Film Pro Series helps preserve the quality of your vehicle's finish, can enhance the resale value and keeps your vehicle looking newer longer.

Chips: gravel and other road debris can be launched at your car and can chip your paint.

Scratches: sharp objects like keys, rings, watches, can scratch handles and doors.

Stains: bugs and bird droppings contain acids that eat away at the finish.

Scotchgard™ Paint Protection Film Pro Series

Bring it on!

Your vehicle's finish is put to the test by the road, parking lot, garage, weather and everyday use. Why not keep it looking great as long as you can?

Scotchgard™ Paint Protection Film Pro Series is simply the ultimate in paint protection. An exceptionally tough, ultra-clear urethane film, this advanced paint protection technology blends in almost invisibly with your vehicle's finish. Yet it offers unrivaled protection from almost anything the outside world can throw at it.

- Permanently protects the finish of your car's most vulnerable areas.
- The only officially licensed paint protection film of NASCAR®—tough enough to protect vehicles going 185 mph!
- Trained, certified installers make sure your new film is installed correctly for maximum visual appeal and unrivaled protection.
- Trusted and chosen by new car manufacturers all over the world.
